

A. L. POST RIFLES RECOVERED

The long missing 1917 Springfield Rifles, issued to the Wilmington Post of the American Legion back after World War II have been recovered.

It was back in September 1965 that the Post's rifles disappeared, along with a \$400 sound movie projector, from the Legion Headquarters on Middlesex Avenue.

The rifles had been given to the Post by the U.S. Army - 1917 Springfields, of 30.06 caliber. The Army issues such rifles to Veterans organizations all over the United States, after warning that they are good only for use with blank cartridges. The rifles are still in good condition, but used with 'live' ammunition they may be more dangerous to the man behind the gun than to the man at whom they might be aimed.

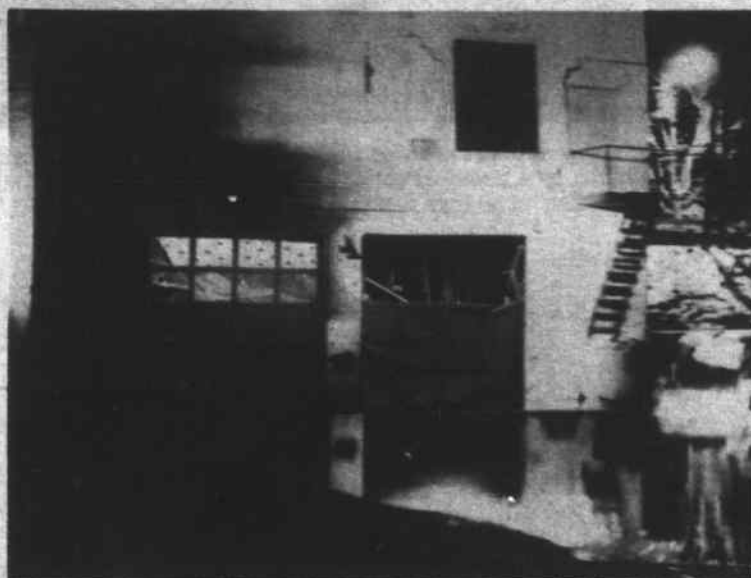

The members of the Wilmington Post were proud of their gift from the US Army. They cleaned those rifles, polished them, and painted the stocks white, and on Memorial Day, or other such occasions, it was a snappy rifle squad that protected the colors of Post 136.

Then, on Sept. 13, 1965 someone broke into the hall, during the hours of darkness, and stole those rifles. The Post had to apply to the US Army for a second set. The Army replaced the rifles, according to Commander Ralph Zwicker Jr., but the thought that someone had broken into their hall was never a pleasant memory.

They were found, last Friday, in Swain Pond, in Melrose, by the Melrose police. Acting on a tip, the police were really searching for a body or bodies, and had been dragging the lake for some time. The rifles were found in 12 feet of water, and the search is still continuing.

According to statements printed in the Boston newspapers, there is a suspicion that the rifles were used in some of the gang-land slayings in and around Boston in recent years, and tests are being made to either prove or disprove this theory.

Wilmington's Police, who have been determinedly searching for two years for those rifles, still do not know who stole them.

OIL DELIVERIES AS USUAL: The Fitzgerald Fuel Company said yesterday morning, in spite of the catastrophe which struck their garage at 6:05 pm Tuesday, when a loaded oil truck fell through the concrete floor and into the basement, spilling a reported 5700 gallons of fuel oil and creating a removal problem for mechanics which will take many days to solve.

The Wilmington Fire Department stood by, in sub-freezing weather, all night. By the glare of the truck headlights the cracks in the walls of the building, on the second story level, may be seen, and below, in the right hand door, may be seen a portion of the truck which fell through from the second story.

Arson Case #24, A Nice Christmas Present

The John A Iverson family of 287 Shawsheen Avenue received a Christmas present on Tuesday evening from the Arsonist, who made their home and furniture a complete loss.

The fire was discovered at 10:45 pm and it completed the damage done on last Friday, when there was an accidental fire.

Since the fire last Friday, the home was unoccupied. The family is staying with their daughter, Mrs Frank McNally at 7 State Street in Wilmington.

Mr Iverson is employed as an Engineer with Metco Engineering Corporation, New Boston Street in Woburn, while Mrs Iverson is employed by Diamond Crystal Salt on Burlington Avenue.

FIRE CHIEF ARTHUR BOUDREAU: Peering into the burning Iverson home, during the Christmas week fire.

HOSPITAL BUILDING FUND

Contributions to the Wilmington Hospital Building Fund picked up during the past week, due to the story on the front page of last week's Town Crier. Those interested in looking to the future while not forgetting the past may make contributions care of Mr. Joseph Maffeo of the Middlesex County National Bank, or Mrs Lillian Woodside, at the Wilmington Center Pharmacy, 432 Main Street.

Memorial gifts to the hospital fund were received in honor of William Sanborn, Herbert Nelson and Lena Babine.

Christmas remembrances were made in honor of Ralph Currier, Doris Dame, Joseph McMahon, and Mary Croke, the mother of Rev. Edmund Croke.

Cain Bill Would Reduce Both House and Senate

Wilmington's Rep. Fred F. Cain, (D) was among the legislators last year who voted against a reduction in the size of the House of Representatives, in the State Legislature.

He voted against it, he told the Town Crier, because it was a proposal concerning only the Representatives. Now he has introduced legislation which would reduce the number of Senators from 40 to 30, as well as the number of Representatives, to 180. The bill has not yet received a number.

The bill asks for the adoption of

an Article of Amendment to the Constitution of the Commonwealth, for this purpose.

Other legislation introduced by Rep. Cain calls for:

Establishing a system of staggered inspections for Motor Vehicles, instead of the present two inspections, one in the spring and one in the fall. The bill also asks that School Buses be subjected to a quarter-annual inspection.

Cain has a bill in the House of Representatives which would make more strict the laws enforcing the protection of Trade Secrets. The

bill asks for prison sentences of not more than five years, or fines of not more than \$5000, or both. A long bill, it would amend five sections of the present Chapter 93 of the General Laws.

TWO CARLOADS OF TOYS: For the children of the Wrentham State School, gathered in Wilmington by a group of volunteers headed by Nancy Sullivan of Thurston Avenue. The toys left last Thursday, in plenty of time for Christmas.

Standing near the nearest car are Mr and Mrs Charles Sullivan of Thurston Avenue, and near the other are Barbara Farrell, and Edward L'Antigua, of Holliston.

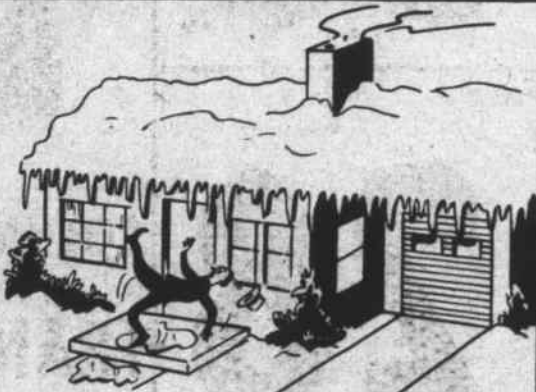

A WONDERFUL TIME AT THE WOBURN STREET SCHOOL: Two weeks ago, just before the school closed for Christmas, for the children in the Reading Skills Program. James Payne of Norwood, with daughters, put on a comedy program

The children, to paraphrase a teacher 'just lapped it up'. They also lapped up about 120 candy canes. The Reading Skills Program, on Saturdays, is sponsored by the Federal Government.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. If I'm not there, I'll call you.

Happy New Year, Folks! The exuberance of the Christmas time panic has worn off, and we are back at the old machine. It looks as though, from the reports I have had, that you all did mighty fine by the people that needed your help this year, and I wish to thank you all personally from the bottom of my heart for the response that you have made to this gal's plugs. The kids and boys in the service certainly did appreciate your efforts. Further on you'll see what you did for the Wrentham State School kids, and the bulletin board at the Depot certainly is a good indication of the fellows in the service and their appreciation.

First off, this week, we would like to compliment the TM Sterling Morris on his News Letter. That's one of the best ones we've seen Sterling. We liked particularly the statement 'The Town government, the Chamber of Commerce the Service Clubs, the Churches and each individual citizen share the responsibility together!'

Those really express our sentiments. Anyway, I hope that all of you have taken the time to read the TM's well expressed thoughts. If by any chance you thought that those green folders were ads and filed them into #13 before reading, I'm sure you can get a copy at the Town Hall, and it's well worth the effort!

Incidentally, I have heard that the boys weren't too bright who were lifting the wreaths. They not only removed the one from the Depot, but heard tell that the TM is missing his from the front door.

The carollers were out this year, which is great. Almost thought that art was a thing of the past. Troop 389 of the Girl Scouts went carolling on Deming Way on Wednesday Night. The leader was Eileen Morrisette and assistants were Maureen Higes and Dorothy Wiberg. Some of the mothers also helped in the persons of Pat Gilligan, Theresa Hanlon, Bette Lothian, and Gladys Banda.

Mrs. Ella served hot chocolate the the girls after the carolling.

The trip to Pleasure Island of Troop 389 will be on Dec 28th. Mrs Morrisette will be in charge of the group, assisted by Bette Lothian, Lorraine Burt, Theresa Hanlon, and Marlon Bradford.

Mrs Hanlon will be giving a hot chocolate party for the girls after their trip to see the lights.

Also carolling this year were a group in the Kelley Road and Chandler Street area under the guidance of Charlie Ritchie from the Post Office. Included in the group were Janice and Beth Ritchie Paula Kavanaugh, Mary, Kathie, and Peggy Barry. After the young sters had completed their tour they were treated by Mrs Lillian Woodside at the Wilmington Center Pharmacy to sodas!

We heard that Jimmie Burris was one of the boys home for Christmas. Hear also that he had been 'patched' three times in the Hospital at Da Nang. How about coming into the Depot and telling us about it, Jimmy!

Mrs Parent called and said that Bob had been made a Spec 5 and that he had been awarded the Air Medal on May 11 which he sent home to her for a Christmas present. She was so pleased that she agreed that next to Bob himself, that was the best present she could have had.

We had a response from that gremlin that made the stuffed animals for the Wrentham State School Children. However, she still didn't identify herself, which shows that she really had the Xmas spirit. And requested that I write if we needed more for next year. Lady Gremlin, we certainly do. That was one of the hits of the Christmas for those youngsters. I'll try to arrange for the publication again of the afghans for boys in service hospitals information right soon. Am gathering more data for this stuff for a special real soon. Congratulations we could sure use more like you in this Town. What say, gals?

My latest notes from the 'boys': 'Dear Nancy, I wish to thank you very much for the Christmas Card. I also wish to thank the Andrews Family on Gunderson Road for their card.

'My roommate and I enjoy reading your column every week, for we think that it's the best part of the paper. By the way, he doesn't even come from Wilmington, for he hails from Queens, New York.

'We think its a very nice thing that you're doing. Keep up the good work. Yours truly A I/c Eric Davis Box 7862, McConnell AB Kansas and Amn Bill Lowell Box 7245, McConnell AFB Kansas PS See you in January.'

(We'll be looking for you in January, fellas. One or both if you're coming in our direction on leave. Gives me an idea that I'll keep the Bulletin Board going I guess for a while. If you have pictures, bring them. The town folk really get a kick out of the cards and pictures!)

To the Someone on Jones Ave. Unfortunately, since your letter is anonymous, I am unable to publish it as is, due to our rules at the papers. However, I have sympathy with you about your missing bulbs and twinklers. And I know it's no comfort but there are many others that are missing whole strings of lights and wreaths etc. It gives one a heartache to think that we have people in this town that are so thoughtless that they have to take the Christmas decorations from other peoples houses which they have put out to bring joy and light to others. Don't know how they figure that these kids in VietNam are fighting to bring our spirit of freedom and democracy to other people and they have a right to destroy things in the country that is supposed to be a model for this and one of the most successful in the world. If we do not live the golden rule, can we bring it to others? It all starts with the next door neighbors! The TM mentions the spirit and pride of the town in his Newsletter, 'It takes a dedication on the part of every citizen to be well informed on projects and proposals affecting the Town, and as individuals, to do everything possible to promote and improve the Town. This means doing such little things as mowing the public esplanades and utility strips in front of your own property, using litter baskets instead of just tossing paper around the street and in general displaying a positive attitude about Wilmington.' and this gal's for the fostering of that attitude by every one, not one out of four.

Did you all see the Boston Globe on Tuesday night. It stated that our own Jackie Bowen will be playing in the Sugar Bowl on New Year's Day. (In case you don't know where the Sugar Bowl is, it's right next to the Creamer! Heh, heh!) Anyway, I believe it is in Texas and will be showing on TV, so tune in and watch for Jack to do himself proud!

You no doubt got the message that Henry Jensen got one of his

lovely cards to me, which you may see displayed at the Depot at any time. The story goes that George Webster of Andover St did the printing and at the same time did large reproductions of the prints for Henry. We'd love to see those!

Chalk up another one for the boys in the American Legion. They had 119 children from the Franco American orphanage, in Lowell, as their guests, for a Christmas Party on December 14th.

Counting Santa Claus it was 1151

One of my friends swears that she has found out how the Fire Department tests the ice, on Silver Lake, to find out whether or not it is safe. She says they send

out two fat cops, and if the ice doesn't break - well, that's the answer!

The point is that the Fire Department is the organization in

town that now has the duty of telling whether or not it is safe to go skating. Perhaps my friend means that there aren't any Fat Firemen?

HAPPY NEW YEAR, EVERYONE!

This jolly snowman expresses our sentiments precisely in three little words that hold a world of good will and appreciation: HAPPY NEW YEAR!

Selectmen's Meeting

John Callan, Chairman of the Permanent Building Committee and Lionel Baldwin were the two members that appeared at the meeting for the request of the Board of Selectmen last night. Callan said that a unanimous opinion had been expressed for Monday night meetings by the PBC. The only other possibility was Tuesday, at which time, he said one of the members could not appear. His suggestion was to have the meeting on Monday night at the Town Hall.

This was agreeable to the Board and will be thus arranged. Mr. Boylen asked that there be a specific joint meeting before the Town Meetings, to which Callan agreed, since the Board does not like calling a meeting and not knowing what it is about.

Mr. Callan said that the new plans for the Shawsheen Elementary School were taking shape and that there was an appointment scheduled for Jan 9 with the SBAC. Harold Shea, Superintendent of Schools, had requested that he ask for a Special Town Meeting on Jan 29th contingent on the fact that the plans were approved by the PBC and by SBAC by Jan 9. The PBC will be having a meeting on Jan 4th for their approval.

Boylen asked why this could not be postponed for the regular Town Meeting since there would only be forty days difference. Baldwin expressed the opinion that there was an important reason, and that was that the bids put out in the winter were much lower than bids in the Spring. Chairman Miceli said that all would prefer annual Town Meeting, if possible.

Niles stated that the closing date for January 12 for articles for the Town Meeting had been announced. And that if necessary, the bids could be deferred until next fall.

At 8:30 a hearing was called for the Bursaw Oil Company for a gas station permit on Lowell and Woburn Streets to be located with a proposed motel and restaurant at that site. Atty Roland Wood, introduced Mr. Bursaw, President of Bursaw Oil, after stating the purpose of the meeting. The hearing was attended by 30 people, abutments or nearby residents and some had a few questions. However, Mr. Bursaw answered them, assisted by E H Bull of Danvers, Bursaw field representative and a Mr. Guilfune.

Mr. Bursaw stated that the application tonight was for a gasoline license for a station with a storage of 16000 gallons underground and 500 gallons above ground. The plot plan presented at this meeting had been modified by the Town Engineer to a 30 to 40 foot ingress and egress and a setback of 75 feet from the street with 10 foot sidewalks, and took into consideration a possible land taking by the town on that corner for the Chapter 90 work which may be done there.

Wood stated that all of the total picture had been discussed with

the Planning Board, the Finance Committee, and Town Meeting. All information had been given then, and that it had been acted upon at the Town Meeting by the people.

One of the abutments asked which was coming first, the motel or the gas station? Mr. Bursaw said 'Nothing yet'. The architect couldn't go to work until after the Town Meeting had voted the article and the tieing into the sewer line had been satisfied, and a gas permit was available. Hopefully, they will be all constructed together.

Nicholas DeFelice said that the vote of the Town had been to build a motel and restaurant without a gas station. Mrs. Ann Simmons said that the sketch in the paper had no picture of a gas station. Mrs. Barbara Hooper said that several people had spoken to her and did not realize that a gas station was involved. Walter McNamara spoke up to say that there was a ridiculous situation on that corner now and they wouldn't stand a chance with a gas station there. Possibly the widening would be the solution, but there was no guarantee that the situation would be taken care of by the widening, so he would suggest another location on the site.

Mr. Wood said this had been covered in detail by the Planning Board and that this was the only place it would stand, due to set backs etc.

DeFelice wanted to know how many people would dine in the restaurant, to which Mr. Bursaw responded approximately 100. De Felice observed that with 50 units and 100 people in the restaurant they would be eligible 'for a booze license and he'll make more money peddling booze than oil'.

Mrs. Carol Frost suggested that the issuance of the gas permit be deferred until the motel and restaurant were established.

DeFelice further said that Avco had given problems, with their two driveways, and 'here we are trying to put in three onto Lowell St and two on Woburn St'.

At this point, Mr. Boylen made a motion that the Selectmen take this under advisement.

Other Business

A letter was read by Miceli from Rep Fred Cain stating that the DPW had assigned the Chapter 90 funds to Lowell and Woburn Sts at their request and that it was scheduled for a Dec 29 hearing.

New Business

The Lynnfield Center Water Distribution has proposed reservoirs dams, pumping station, etc to sell water to North Reading and other communities. Niles said Miceli said this wouldn't affect the Town water as had been stated by past Town Manager Harold Melzar. Niles said he hoped it didn't over the years, but it would bear watching.

Boylen suggested that the Board send a telegram to Jackie Bowen, who is playing in the Sugar Bowl on New Year's Day stating that

the Town of Wilmington was rooting for their Jackie and for Wyoming over Louisiana. The TM is to take care of this.

Mr. Black said that last year two people who had over 50 years of service as town officers had died, Guy Nichols and Dr Ernest MacDougall. He suggested that something be done to honor them. This was agreed on and referred to the Town Manager.

Black also inquired about the budget. Morris said that with the collective bargaining, the budget was being held up in the School Department and the town offices.

Miceli complimented the TM on the alacrity in having the Burlington Ave Bridge repaired.

The TM then reported that the NET&T is planning a conduit for 150 feet on Concord Street, which is in the vicinity of the B&M RR track, under the track as was requested by NET&T to accommodate the Volkswagen Company into Barbo Industrial Park. This would be on the edge of the road outside the hard surface. They didn't realize the Board was unhappy with the Lowell Street job and they would repair it. A hearing was scheduled for two weeks from Monday night.

Last on the agenda was the Youth Opportunity Council, which Miceli insisted after presenting his intent be accomplished the same night.

Niles was quite insistent that the statement of intent be more explicit and Mrs O'Rourke typed five copies so that it could be accomplished the same evening. Niles then modified the statement, making it more explicit. Appointments were made of Mr Earl Hamilton of Church St by Boylen; Niles deferred; Drew deferred; Black deferred. Miceli appointed Mrs Nancy Clark of Floradale Avenue and Mr Burbine of Beeching Ave.

Boylen suggested that the Select men's section of the Budget be completed before adjournment.

NURSES AIDES TRAINING
WINCHESTER HOSPITAL

During January, Winchester Hospital will offer a training program during January for Nurses Aides.

This program consists of four weeks of comprehensive training including classroom instruction, demonstration, and practical experience in patient care.

The new facilities and expanded services at the hospital have

increased the need for additional staff for the nursing team.

Trainees who successfully complete the training program will be eligible to join the nursing staff of the hospital as Nurses Aides.

Many people find this a most stimulating and rewarding experience. Those interested should make appointments for an interview with the Employee Relations Department of the Winchester Hospital immediately.

FROM THE BOX SEAT

Coach Palm's skaters played two fine hockey games last week, topping Chelmsford 4-2 after dropping a tough one to Burlington 3-2. Jimmy Brewster and John Gennetti beat Burlington's brilliant netminder Bobby Chisholm in the first and third stanzas respectively but the Red Devils tallied in each period for the win. On Saturday big Eddie Gillis kicked out all but two Lion shots and his mates Jim Brewster, Dave O'Connell, Pete Pellerin, and Gary Irwin scored once each for a win over Pete Melchiano's pucksters. Next outing is against Andover High this Saturday.

In high school basketball action the locals visited Methuen and kept it close most of the way only to let the home club pull away at the end for a 55-41 setback.

Eddie Thomas clicked for 16 points and Dan Ballou added 10 for the thusfar winless Wildcats. Lawrence Voke entertains Coach Roche's five tonight.

unreserved

Patriot Bobby Leo will be guest speaker at the Pop Warner fete at the Elks' Lodge tomorrow night.

Don't forget to tune into the Sugar Bowl Monday to get a look at Jackie Bowen and his Wyoming Cowboys opposing LSU.

How fearsome did that Ram Foursome look to ya, Bart?

The Chargers of the Town League belted the crippled Faculty by 30 points last Wednesday to take over sole possession of second place.

The Bedell Insurers brought an average of over 100 points a game into their meeting with the Fitzgerald Oilers, but could manage only half that on what either had to be a great defensive performance or a miserable shooting night. Its difficult to determine which. The Insurers put on a defensive show of their own, however, and held the Oilers to even fewer points in garnering their third straight win. If any coach loses his job in the next few months it will be Weeb Ewbank.

Coach Kelly has lined up an indoor track meet for his hardwoodsmen at the Heights against the BC freshmen.

They obviously didn't offer any courses in common sense at the U of California while Jim Lomborg was matriculating.

Manager Jim Downs says that he received nearly two dozen Christmas cards from players with each requesting a spot on the softball champion Merrimack roster.

The pro scouts in SPORT Magazine and the coaches picking the AFL All Star Squads selected Jim Lee Hunt as one of the league's top tackles.

How does Mike 'R's all my fault' Holovak evaluate the 5' 11" 265 pound Earthquake? 'Antwine and Eisenhower are top notch in the defensive line, but after that, we're in trouble,' says the coach - g.m. of the last place Boston try.

Thusfar, the seniors have really failed WHS mentor Bob Roche. The club in general seems to be coming though. The team attitude is good. Practices are gruelling and stress defense. Progress has been a little slow however, because defense is as new as lime shave cream to these kids.

While on the subject of Basketball at WHS, its about time, dear school committee, that the gym had some new baskets. The rickety hoops now in use are about 5% steel and 95% repair solder. Bottomless peach baskets would do as well. How about some glass backboards along with the new rims to add a little class to the joint?

The GOP had better have the Head & Shoulders ready when Gov Romney returns from Viet Nam. Geroche is making sure no soapy water gets near his cranium on this vote seeking jaunt.

Surety Bank has taken two in a row to earn a tie for the top spot in Wakefield YMCA League. Surety's team is comprised mostly of Wilmington players, many of whom were on the Bank's championship softball entry in the Wakefield loop last summer.

How could they possibly choose Darryl Lamonica MVP in the AFL over Jim Nance and Joe Namath. Why any quarterback could have looked like a world beater with that Raider team, maybe even Babe Parilli. Or is that just a little too far out, sports fans?

This is the last of Joseph Beaton's reports From The Box Seat, for some months, in the Town Crier. Mr. Beaton is to report for four months of military duty, in January.

REP. CAIN (Fr. Fr.Pg.)

Rep. Cain is repeating a former bill which he introduced last year, in a bill which says that the Clerk of the Court, in every case where there is a criminal fine or forfeiture, shall issue duplicate receipts of those fines or forfeitures. The proposed law would change the wording of Section 12 of Chapter 218 of the General Laws. Cain, last year, explained that he seeks to have a method of being certain that all fines collected go to the government.

Another bill introduced by Cain would exempt Cities and Towns from being subject to their own Zoning By-Laws, when it comes to the construction of municipal buildings. The proposed act is to be an amendment to Chapter 40A of the General Laws.

Credit Cards, now a part of the way of life for many people of this country, would have a new regulation, if one of Cain's bills becomes law.

He has proposed an amendment to Chapter 93 of the General Laws (Section 40A) in which no person could be held liable, in a civil suit, for damages on account of the use of an unsolicited credit card, unless he has affixed his signature to such card, or otherwise has indicated his intention to use the card. The word 'credit card', as used by Mr. Cain, would include any card, plate, coupon, or other device used which authorizes a person, or a member of his family, his employees, or agents, to purchase or otherwise acquire money, goods or services on credit or in deferred installments.

Another Act introduced by Cain into the Legislative Hopper would if it became law, prohibit the inciting of a riot, and provides that whoever does so shall be liable to a fine of \$500, or a punishment of six months in jail, or both.

The proposed law is not to apply or in any way affect, restrain, or otherwise interfere with the lawful activities in behalf of labor organizations, by its members, agents or employees.

One of the bills introduced by the Wilmington Representative would exempt the Lions Clubs of Massachusetts from the provisions of the Sales Tax, and a similar bill would do the same thing for the Independent Order of Odd Fellows.

Rep. Cain, in another bill, would repeal Section fifty-four of Chapter Two Hundred and Sixty-Two of the General Laws. This is a section which allows extra compensation to Deputy Sheriffs and other officers, attending the Superior Court.

Blind people would be allowed an increase in the amount of real property exempted from taxation, in another bill introduced by Cain.

Real property, to the amount of six thousand dollars, of a blind person who is a legal resident of the Commonwealth, whether owned by him separately or jointly as a tenant in common, would be exempted, provided that such property is occupied by such person as his domicile, and provided further that the value of such property does not exceed sixteen thousand dollars.

First Baptist Church to be Dedicated January 14th

On Sunday, Jan 14, at 4:00 pm the First Baptist Church of Wilmington will dedicate its new sanctuary.

The key speaker will be Rev Dr Paul L Sturges, Administrative Executive of the Massachusetts Baptist Convention. He is also serving as President of the Mass Council of Churches. His address will be "Dare We Dedicate?"

The Rev Robert C Smith, pastor of the church and a graduate of Gordon College and Divinity School in Beverly will preside.

The new church has a seating capacity for 250 people in the main sanctuary. In the basement area are included Sunday School Class-

rooms and a Fellowship Hall.

During the past ten years, the church members have been using the Chapel, which accommodates 140 persons. This Chapel adjoins the old building at 173 Church St and will be used as a Christian Education facility.

The members are from several of the surrounding communities including Woburn, Tewksbury, and Reading, as well as Wilmington.

Chairman of the Building Committee is Mr Winslow Whitten of Burlington. Richard Tucker of Tewksbury is the Chairman of the Board of Trustees.

Among those taking part in the dedication program will be local clergymen and town officials.

EUGENE MCKAY ENLISTS

Eugene McKay, son of Mr and Mrs Harry E McKay of 47 Burnap Street, has enlisted in the Navy for four years.

He will receive his recruit training at the US Naval Training Center Great Lakes Illinois. After completion of this, he will leave for one of the Navy Class A Schools, or go on the job training in one of the Navy's major job fields.

Al Fiorenza Joins Industrial Caterers

The international headquarters of the MOBILE INDUSTRIAL CATERERS' ASSOCIATION, International, Incorporated, is pleased to announce the membership of a youthful, aggressive mobile catering executive.

In 1962, Al Fiorenza realized the potential of the industrial catering market and formed KUSTOM COFFEE KART COMMISSARY with only one truck. In just five years, his idea has grown to such proportions that he now owns and operates not only a commissary which services a fleet of mobile units, but a sales and service corporation to maintain these units as well as industrial in-plant feeding.

Al is a Wilmington native and attended the local schools before enlisting in the United States Army. He saw duty during the Korean Conflict, serving with the Eighth Regiment of the First Cavalry Division. He holds the Purple Heart, Silver Star, a combat infantryman badge and other awards.

After discharge in 1952, he and a brother-in-law opened a sub shop in Winchester, Mass., where they operated a mobile canteen truck. In 1962, he sold his interest to his brother-in-law and Kustom Koffee Kart Commissary was then formed. After two years, he formed Alco Leasing and Sales Corporation.

Al and his wife, the former Gertrude E Traverser of Stoneham have five children: Albert G., Jr., 14, Barry W. 11, Paul J.

8, Lee Ann 5, and Robin Lee 3. They live in Stoneham. Al is one of 14 brothers and sisters. His brother, Joe, is the Vice President and General Manager of the Kustom Koffee Kart Commissary, and has been instrumental in the successful growth of the company.

Al is a member of the Stoneham Lions Club, a past-commander of Disabled American Veterans, where he served for 3 consecutive years and received a meritorious service award. He is also past senior vice commander of the Veterans of Foreign Wars Post, a past charter member of the Jr Chamber of Commerce of Stoneham, a member of the Elks and Sons of Italy. He lists golf as one of his favorite hobbies and shoots in the 80's. He is a member of the Hillview Country Club of North Reading, and considers himself an armchair quarterback.

The High School Christmas Program

With Your Servicemen

It is with some mixed feelings that the Town Crier reports this week that Ray Mahoney is going to serve on the USS New Jersey, now being refitted at the Philadelphia Navy Yard for service off Vietnam. It will be, when it gets into service, the only battleship afloat, and it is planned to have the New Jersey stand off the coast of Vietnam and shell targets which are 20 or more miles inland - she can do it with her nine 16-inch guns.

Shelling inland targets is an old and honorable task of naval vessels. Back when Napoleon was in the news, during the Peninsular War in Spain, frigates of the Royal (British) Navy used to shell shore targets and thus harass the French troops. After the Monitor class vessels had been developed, in the US Civil War, those Monitors used to go up the rivers of the Southern States and destroy the Confederate fortifications. And in World War I and II, the British had a special class of Monitor, two big guns on a small ship platform, (HMS Erebus, and HMS Terror) which shelled the German fortifications - in Belgium in World War I, and along the coast of Africa against Rommel, in World War II.

The most recent of this type of Naval-Land warfare is that of the USS Missouri, during the Korean Conflict. She would stand a mile or two off the coast of Korea and destroy Chinese positions way up in the mountains, as some people living in Wilmington can today testify, as they saw it done, while serving in the US Army.

But it isn't all roses, sitting out in the ocean and shooting up targets of opportunity ashore, - especially today. For the Russians have been developing rockets, to use against ships, and the most recent episode is the sinking of the Israeli Destroyer 'Elath' by an Egyptian craft only a couple of months ago.

The Russians are undoubtedly working right now, (if they haven't already got one perfected) on a rocket which can go through the 16 or so inches of armor on the sides of the New Jersey, and they will have rocket crews along the coast of Vietnam looking for an opportunity to hit that battleship. It would be quite a feather in their caps to sink or destroy the world's only active battleship.

Rockets can go through armor. The United States developed such rockets in World War II, with the so-called 'shaped charge', to go through the armor of tanks. 16 inches of armor is a lot, but the Russians undoubtedly are willing to try.

The United States Navy, of course, is well aware of this, and probably has more than one answer ready. That battleship, representing as it does, millions upon millions of dollars in investments, will be the best protected battleship

anyone ever heard of.

So Ray Mahoney is going to have an interesting cruise after he gets aboard the New Jersey, sometime next spring or summer. Right now he is working with his dad, down at the Tri Town Station on Lowell Street, during the two week Christmas leave he is enjoying, from the US Navy, and right after the first of the year, he leaves for a station near San Diego, where he and other future tars of the New Jersey's crew will undergo training together.

How Many?

In the December 7th issue of the Town Crier when the last list of servicemen's addresses was printed, it was stated that there were at least 154 men from our Wilmington serving in the Armed Forces of the United States.

That list can now be added to: Overlooked, for instance, was Chief Warrant Boatswain Joe Del Torto, US Coast Guard, who lives on Burlington Avenue. Joe is around so much that one almost forgets he is a service man.

Also overlooked was Pfc Bob Given, who was home for Christmas, and will be soon returning to Vietnam. That brings the total to 156.

Then, to those 156 boys, there are at least 11 more names to be added, of servicemen who have not been accounted for. Some have just joined, and some have quite a bit of service behind them.

Those names Richard J Bertrand (Navy), T/Sgt Daniel Bull, L/Cpl David Bull (Marines), Patrick Dona hue (Navy), Frank Johnson (Army) George LaFionatis (Air Force), Robert McCarthy (Army), Eugene McKay (Navy), James Van Steensburg (Navy), and Milton Smith Jr (Air Force).

Some of their names appear in the addresses below. Other addresses are changes from the list published on December 7th.

Baby Wisleder picture in Boston Herald

At 12:02 a.m. on Christmas morning, Santa Claus, or was it Dr John O'Grady, brought a fine Christmas present in the form of a Baby Girl to Mr and Mrs Robert Wisleder of 73 Nichols St.

The Herald carried the note that she was the first child of

1967 to share the most famous birthday of all. Also, included were a picture of the baby with mother and father.

AS yet, the Wisleders have not decided on a name for their littlest angel, since they were planning on a boy. The littlest angel has two sisters, Christine who is 2-1/2 and Deborah who is 1 year old.

The baby was due last week, so the Wisleders had celebrated their Christmas at home a day early, since the two girls are staying with relatives during mother's sojourn to the hospital.

The parents announced that plenty of significant names have been suggested. Among these are Merry, Holly Gabriella, and Noel.

ANN HOBAN ENGAGED TO
ROBERT JOHN ANDERSEN

Mrs Francis S Hoban announces the engagement of her daughter, Miss Ann Louise Hoban to Mr Robert John Andersen, son of Mr and Mrs Nells N Andersen from Wilmington. Miss Hoban is also the daughter of the late Deputy Chief of Police, Francis S Hoban.

Miss Hoban is a graduate of Wilmington High School, Class of 1964 and is employed as a secretary for the Hewlett-Packard Company of Burlington. Mr. Andersen is also a graduate of the Wilmington High School, Class of 1960 and is employed as a Union Carpenter in Boston.

An October wedding is planned.

EARL P BEDDOES MADE
ADMINISTRATIVE OFFICER

The banking firm of Brown Brothers Harriman & Company announces the appointment of Earl P Beddoes as an Administrative Officer of its Boston Office.

Mr Beddoes, who has been with the firm since 1962, lives at 10 North St., in North Wilmington.

Miss Mary Bongiorno, daughter of Mr and Mrs Paul Bongiorno of North Wilmington became the bride of Joseph Albowicz, son of Mr and Mrs Longin Albowicz of North Wilmington. The ceremony was conducted at the Wilmington Methodist Church by the Reverend Willis Miller. The reception was held at Caruso's Diplomat in Saugus.

The bride was given in marriage by her father and wore an empire gown of silk organza and lace. A rosette held her cathedral veil. She carried white roses, baby's breath, and ivy.

Miss Barbara DeMarco, West Newton, cousin of the bride was her maid of honor. She wore an empire gown of nile crepe and

carried a colonial bouquet of yellow carnations and baby's breath.

The bridesmaids were Miss Yolande Grouard and Miss Judy Albowicz of Wilmington. Mrs Joyce Albowicz of Tewksbury and Mrs Carol Case of Woburn. They wore similar gowns in yellow crepe and carried colonial bouquets of yellow carnations and baby's breath. The flower girl was Lorraine Polcaro, niece of the groom and the ring bearer was Dennis Polcaro, nephew of the groom.

The best man was Tony Albowicz brother of the groom. Ushers included George Bryant and Ellery Burpee of Wilmington; Gerry Otis and George Nugent of Tewksbury.

For her going away ensemble, the bride chose a blue coat and dress. The couple is now living in Wilmington after their trip to Lake George.

days of good health and high happiness for
you and yours. May it take its place in your
book of memories as altogether the most re-
warding you have ever known ... rich in
achievement and fulfillment.

COMMONWEALTH OF MASSACHUSETTS LAND COURT

To the TOWN OF WILMINGTON, a municipal corporation, located in the County of Middlesex and said Commonwealth; ROY SYVERTSON, HELEN SYVERTSON, and JAMES J. O'LEARY, all of said Wilmington; ROBERT P. STEVENS, of Arlington, in said County of Middlesex, Trustee of the Commonwealth Realty Trust; CLARENCE M. ARNOLD, now or formerly of Waltham, in said County of Middlesex, or his heirs, devisees or legal representatives; and CHARLES C. CARPENTER, deceased, or his heirs, devisees or legal representatives; and to all whom it may concern:

Whereas, a petition has been presented to said Court by ROBERT P. STEVENS, of said Arlington, Trustee of the EASTERN REALTY TRUST, to register and confirm his title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Wilmington, bounded and described as follows:

Northerly by Morse Avenue 50 feet; Easterly by land now or formerly of Roy Syvertson and Helen Syvertson 100 feet; Southerly by land now or formerly of James J. O'Leary 50 feet; and Westerly by land now or formerly of Robert P. Stevens, Trustee of the Commonwealth Realty Trust 100 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell in the County of Middlesex where a copy of the plan filed with said petition is deposited, on or before the eighth day of January next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, ELWOOD H. HETTRICK Esquire, Judge of said Court, this sixth day of December in the year nineteen hundred and sixty-seven.

Attest with Seal of said Court.
